

3RD INTERNATIONAL CONFERENCE OF YOUNG SCIENTISTS  
“CHEMISTRY TODAY-2013”

A group of young scientists from the Faculty of Chemistry of the Yerevan State University participated in 3rd International Conference of Young Scientists – “Chemistry Today-2013”. At this conference, our delegation was represented by Anna Mkrтчyan, Karine Hakobyan, Hayarpi Simonyan, Satenik Petrosyan, Ani Dadayan (Chair of Pharmaceutical Chemistry) and Armen Galstyan, Melanie Samvelyan and Lilit Hambarzumyan (Chair of Organic Chemistry of the YSU).

Anna Mkrтчyan presented an oral report “SYNTHESIS OF THE NOVEL CATIONIC CHARGED OCTAHEDRIC Co(III) COMPLEXES”. Satenik Petrosyan, Hayarpi Simonyan, Ani Dadayan, Armen Galstyan, Melanie Samvelyan and Lilit Hambarzumyan were presented with posters.

It should be noted that all the participants received certificates “Third International Conference of Young Scientists”.

Melanie Samvelyan ranked third among posters and honored “Third Prize Winner for the Best Presentation”.
